

Principal's Message

Dear parents,

It seems we have arrived at the end of our first school semester, yet again we had a wonderful term with hard working students and distinguished teachers. Thank you and well done.

## PRINCIPAL'S MESSAGE

## Highlights

### 1- Oxford Championship

Grade 6.B students were rewarded with the golden trophy and medals after winning the final match and scoring golden goals.

### 2- Top Ten schools in Delf Exams:

Our brilliant student Bana Al-Najjar was honored in a celebration, which was held at the French Embassy for being one of the top ten students who've got the highest grades in the French Delf Exam in the Kingdom.

3- Science Fair: Wonderful experiments and exotic projects were done by our brilliant students.

### 4- Students of the Month:

Appreciation was shown to our the talented students in recognition of their improvement in reading and writing skills .

## Activities

1- Dental Lecture: A dental lecture was held at Oxford Schools theatre to guide the students on how to care of their teeth.

2- Field Trips: Students of grades 1-3 enjoyed playing and learning in The Playground Centre. Students of grades 4-6 as well spent a great time at Ghamadan Park .

3- Scientific Trips: Students of grades 4-6 paid a visit to Hammodeh Dairy Factory where they learnt a lot about the industry.

4- Welcoming celebration: Oxford Schools held a celebration to welcome the new students, teachers and all of its staff. The celebration included exciting festivities.

5- Adha Eid Celebration and Haj Rituals.

6- Demonstration Classes: Demo classes were given by our outstanding teachers.

Quote of the Month  
An investment in knowledge  
pays the best interest.

Benjamin Franklin
