

Dear Parents,

PRINCIPAL'S MESSAGE

"The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well." (Ralph Emerson). Our passion should be the foundation of our giving .It is not how much we give, but how much love we put in to the giving. It should be simply a matter of choice; choosing the right thing for ourselves. The key is to find the approach that fits us. When we do, then the more we give the more we stand to gain purpose, meaning, and happiness.
