Regarding your kid's attendance procedures, parents are required to:

- Emphasize on children the necessity of wearing masks and gloves when entering the bus or school.
- Make sure not to send your child to school with symptoms of cold, flue and high fever and check online classes.

Guide the students to the necessity of the following:

- Adhere to the instructions of teachers and principals regarding the process of social distancing, sterilization, wearing masks and gloves.
- Each student should bring his own school stationary, and not to use other student's tools and equipment.

Regarding safe and secure environment, the school will take the responsibility to provide the following:

- Effective cleaning and sterilizing for all school departments.
- Health care unit equipped with well-trained medical team will be available.
- Social distancing and wearing masks in addition to measure student's temperature when entering the school and the school bus.
- Limit activities that don't have physical distancing or requires the use of shared objects (gym and P.E equipment, toys, games, etc..).
- P.E classes will be held outdoor and morning assembly will be limited.

Together, we will keep our children safe and secure from the Covid-19 and Covid-20 Pandemic.
